HENRY M. LESTER, Prest.

New Rochelle, N.Y., March 12th, 1913.

Mr. Bauman L. Belden,

Numismatic Society, N.Y.City.

My dear Sir:-

I received your favor of the 7th inst. and also under separate cover the copy of the Catalogue of the Jean D'Arc Exhibit, which has been gotten up under a special binding and which you desire to have me accept with the compliments of the Numismatic Society.

I want to thank you most heartily for this as I enjoyed my two visits to the Exhibit and feel it has been a matter of education to those who did not know as much about this notable personage of the past.

With best of wishes to you, I remain,

Sincerely yours,

Henry M. Lester
